

*The Newest Installment in the Beloved Harvest Moon Franchise
launches on the 26th of September!*

Sept 19, 2023 – Singapore-based publisher Soft Source Publishing, in association with Natsume Inc., a worldwide developer and publisher of family-oriented video games, is pleased to announce the physical release of **Harvest Moon: The Winds of Anthos** on Nintendo Switch™, PlayStation®4, and PlayStation®5 in South East Asia, Hong Kong, and Taiwan on 26 September 2023.

The land of Anthos was a peaceful and harmonious land watched over by the Harvest Goddess and the Harvest Sprites, who protected the inhabitants of Anthos from natural disasters such as storms, earthquakes, and the like.

However, one day many years ago, Anthos experienced a severe volcanic eruption that threatened life on Anthos itself, and the Harvest Goddess and Harvest Sprites had to use all of their remaining power to keep the people and animals of Anthos safe. This left the different villages across the land blocked off from each other. Some unfortunate souls even got trapped outside their villages, and were unable to return...

Believing that the separated villages and people would one day be reconnected, the Harvest Goddess sent out a bottle with a letter and a magic key, then fell into a deep sleep...

Now, 10 years later, you have found the SOS the Harvest Goddess sent to the world in the form of a message in a bottle! With the help of your wacky inventor friend Doc Jr. and many others, it'll be up to you to revive the Harvest Goddess and the Harvest Sprites, as well as reconnect all of the villages of Anthos with each other!

Farm all around Anthos using Doc's new and improved Expando-Farm! Easily move from place to place and farm everywhere from snowy mountains to beautiful beaches!

Game Features

- Keep and raise different kinds of cows, chickens, and sheep in your barn! Find even more exotic animals to keep out in the wild of Anthos!
- Woo 5 different bachelors and 5 different bachelorettes! Marry whoever your heart desires!
- Keep unique pets like wolves and exotic animals such as Bengal tigers!
- Collect seeds from Harvest Wisps hidden all over Anthos! Some of the rare ones only come out at certain times, so keep an eye out for them!
- Explore the wide world of Anthos on foot or on mount! Unique and unusual mounts are available as well!
- Fast travel around the world using the Harvest Goddess's Warp Statues!
- Take pictures, selfies, and more!
